The King Royal Court
Reyadh , Kingdom of Saudi Arabia

Your Majesty

Assalam-u- Alaikum Wa Rahmat Ullah Wa Barakatahu.

Subject : Something which appears to be blasphemous

I feel highly honored in addressing your Majesty, the custodian of the centre of Islam (peace),the holy Haram Shareef and drawing your kind attention towards a very sensitive fact.

In contemporary times when a bizarre message and video is bound to rage like wildfire on social media, I have unfortunately stumbled upon a video which is disheartening and appalling. The annual changing of the 'Ghilaf-e-Kaaba' of Masjid al Haram is a sacred ritual for every Muslim across the world. This reference becomes necessary as the ' Video , photos & voice message ' have direct association with this holy rite.

The video and photos showcases a man of Indian origin residing in Reyadh , the holy Kingdom of Saudi Arabia. The man claims to have the patronage of certain Prince & Princes of Saudi Arabia for over a decade. He intends to **'auction, sell or Hadiya' the Holy Ghilaf in exchange of monetary returns.**

It is hard to believe the authenticity of such videos / photos. I feel that this is a case of earning money fraudulently. How can this happen in the pious Kingdom of Saudi Arabia?

However if, Allah forbid, all this is true then there cannot be a more mortifying situation for the Muslims worldwide.

It is my earnest request to your majesty to kindly get to the bottom of this matter. The concerned man should be identified and arrested for blasphemy and punished suitably.

If the auction / sale of Ghilaf-e-Kaaba has 'sharea' sanction, it would be an honour for me to secure it at any cost. I shall resort to even begging to secure the Ghilaf-e-Kaaba, lest it should fall into wrong hands.

I am a God fearing Indian Muslim and by the grace of almighty Allah have means enough to take care of not my family only but also of my needy brothers & sisters in Islam in my own humble way.

I shall extend full cooperation in the investigation of this unbelievable piece of information by sharing the evidence available with me, with your royal office.
